“STRIVE FOR THE HIGHEST”

MISSION STATEMENT

As members of the Elmvale District High School family, our mission is to be a community of learners who strive for the highest academic, social and spiritual goals. By working co-operatively to be the best that we can be on a daily basis, we will enrich our school, our community and ourselves. We believe in the importance and value of completing a secondary education and are committed to reaching all students through a variety of supports. A positive high school experience involves success in academics and a sense of belonging. We are family/ community-oriented, and offer something for everyone. The House System (Pirates, Rowdies, Trojans, and Blizzards) has a long-standing tradition at EDHS and provides several opportunities to demonstrate school spirit and community outreach.
